| 2. Previous year figures have been regrouped wherever necessary to make them comparable, except difference of Excise Duty on Decrease/Increase in Stock in Trade of Corresponding Previous quarter/ half year ended 30th September 2004. However, this does not affect the profitability of the above quarter/half year.                                                                                                                                                                                                 |                                                                                                       |                                              |                                                                    |                                                                        |                                                                         |                                                 |
| 3. The above-mentioned results have been taken on record by the Committee of the Board of Directors in their meeting held on 29th October 2005.                                                                                                                                                                                                                                                                                                                                                                          |                                                                                                       |                                              |                                                                    |                                                                        |                                                                         |                                                 |
| 4. The provision for Deferred Taxation will be considered in Annual Audited Accounts.                                                                                                                                                                                                                                                                                                                                                                                                                                    |                                                                                                       |                                              |                                                                    |                                                                        |                                                                         |                                                 |
